FOR GREAT TASTE

petesorganictea.com

Pete's organic tea company started as a quest for a better way to reduce blood pressure. Peter Machlup developed a blend that not only lowers his blood pressure but is a pleasure to drink.

Plants have remarkable healing qualities. Peter developed synergistic blends to help his friends and family and now shares them with you.

Pete's Organic Tea company, founded in 2016, has hundreds of healthy, happy customers. We invite you to join them.

Our current offerings*

Twigs and Berries

This tea is a blend of five herbs with Prostate Shrinking characteristics. The citrus of the lemongrass is balanced with the fruit of the elder, saw palmetto, and gokshura berries. The elderberry gives this blend an attractive violet hue. Warning, consumption of this tea may tend to shrink one's prostate.

Pressure Drop

This tea is a blend of five herbs with Blood Pressure-lowering characteristics. When used in conjunction with your doctor's guidance and holistic practices you'll be good as gold in no time. The chrysanthemum and lavender florals are balanced with the tangy hibiscus and hawthorn berry. The ruby red from the hibiscus is stunning. Warning - consumption of this tea may tend to lower blood pressure.

Wise Woman

Our menopause blend, the constituents in this blend are designed to address hot flashes, bone loss, and to remineralize the bones and tissues. The raspberry leaf and red clover elements make this a tasty way to manage this transition. Now with gokshura's plant testosterone encouraging more muscle, a healthy glow, and increased libido.

Chillax (STFU)

This relaxing herbal blend will chill you out, or keep you in a better state. Pair this with some slow, deep nostril breath and you have a recipe for a remarkably calm day. Warning - this tea is calming, relaxing. This blend is also sold with humorous label STFU, because ... we all know someone who could use a cup of STFU.

Happy Gut

Health starts with the gut. If you struggle with indigestion, poor elimination or discomfort in your belly, this blend will sooth and bring you back into balance so that your elimination is smooth and easy. The peppermint and licorice flavors make this a pleasant tasting blend.

Immune Boost

This herbal blend combines a synergy of super herbs to maximize your immune defense. The flavor presents as spicy ginger and turmeric, softened by lemongrass and a hint of jasmine along with a tellicherry black pepper finish.
